CONDITIONS WHEN ADDITIONAL DISCLOSURE IS REQUIRED

A corporation or other unregistered association that uses membership fees, membership dues, and donations from individuals and other corporations or associations to fund contributions to Ballot Question committees and funds will need to complete all of the disclosure schedules in this statement when the aggregate total of all contributions to Ballot Question committees and funds registered in Minnesota equals or exceeds \$5,000.

If the aggregate total or all contributions to Ballot Question committees and funds registered in Minnesota is less than \$5,000, or the contribution which is the subject of this disclosure form was derived solely from the operation of a business, you should complete and provide only the first page of this statement to the Ballot Question committee or fund that received the contribution.

TIMELINES FOR PROVIDING DISCLOSURE TO RECEIPT COMMITTEE

The disclosure must be provided to the recipient committee or fund no later than the due date on which the Ballot Question committee or fund must file the next Report of Receipts and Expenditures with the Board. Usually that allows ample time for a donor to provide a disclosure statement to the recipient committee. The following is a listing of report due dates for committees and funds in 2015.

Deadlines for providing disclosure statements to recipient Ballot Question committees and funds:

Date Contribution is Received by Ballot Question Committee or Fund	Date by Which Ballot Question Committee or Fund Must Report Contribution to the Board	Date by Which Corporation or Other Unregistered Association Should Provide Disclosure Statement to Ballot Question Committee or Fund
January 1 through December, 31 2015	February 2, 2016	February 1, 2016

PENALTY FOR FAILURE TO PROVIDE STATEMENT IN A TIMELY MANNER

The penalty for failure to provide this (or equivalent) disclosure statement to a recipient committee or fund in a timely manner is up to four times the amount of the contribution, not to exceed \$25,000

INSTRUCTIONS FOR SCHEDULE A1 – SOURCE OF FUNDING FOR CONTRIBUTION

Use this schedule to report any underlying source of funding that provided \$5,000 or more of the contribution to the Ballot Question political committee or fund. No information on the underlying source of funding for the contribution to the Ballot Question committee or fund is required if the source of funding is revenue from the operation of a business, or if the total of all contributions made by your entity in Minnesota to Ballot Question committees and funds is less than \$5,000 this calendar year.

How to determine if an underlying source of funding for this contribution must be itemized on this statement. There are two methods which may be used to determine if a source of funding must be itemized on this report.

First, the association may pro-rate the contribution over all of its donors. Depending on the number of donors, size of the underlying donations and the amount of the contribution to the Ballot Question political committee or fund, this method may result in no itemized underlying donors. Any donor whose pro-rated portion of the contribution is \$5,000 or more must be itemized.

Second, the association may identify specific sources to which it will attribute the contribution to the Ballot Question political committee or fund. A contribution may be attributed to specific donors if the donor has specifically authorized the association to use that donor's dues or donations for Ballot Question purposes or, absent specific authorization, the association designates specific donors' dues or donations as the source of the contribution to the Ballot Question political committee or fund. Any donor to whom \$5,000 or more of the contribution is attributed must be itemized.

An amount attributed to a contribution to a Ballot Question political committee or fund may not be attributed to any other contribution to a Ballot Question committee or fund.

For itemized sources of funding you must disclose the:

- name of individual or association that provided \$5,000 or more of the contribution made to the Ballot Question committee or fund.
- individual or association's full address (street, city, state, and zip code), and
- the amount of the individual's or association's dues, fees, or direct donations attributed to this contribution.

The total of itemized underlying attributable contribution is listed in Line A.

At the bottom of the schedule in Line B indicate the amount of the contribution that is attributable to underlying sources that are not required to be itemized under the above provisions. (For example, if a \$10,000 contribution to a Ballot Question committee is funded in part by a single \$6,000 contribution that is itemized on schedule A-1, and several other contributions from individuals that do not meet the \$5,000 threshold for itemization, the remaining amount of underlying non-itemized attributable contributions is \$4,000.)

If the contribution to the Ballot Question committee was derived from both attributable underlying sources and business revenue the amount of business revenue used for the contributions is listed in Line C.

The total of Lines A, B, and C should equal the amount of the contribution to the Ballot Question committee or fund, as listed on the first page of this statement.
