# *Campaign Finance and Public Disclosure Board*

---

**DATE:** September 23, 2008

**TO:** 2008 Candidates for the Minnesota House of Representatives

**FROM:** Gary Goldsmith  
Executive Director

**SUBJECT:** 2008 Campaign Expenditure Limit, Minn. Stat. §10A.25

## **Expenditure Limits:**

The attached list provides notice of the expenditure limits in effect for election year 2008, for candidates for the Minnesota House of Representatives who registered a Principal Campaign Committee, and who will appear on the ballot at the state general election.

**Base Expenditure Limit:** apply to candidates who sign and timely file a Public Subsidy Agreement are not first time candidates and who were not in a closely contested primary.

**First Time Running for Office:** applies to candidates who are running for an office for the first time and who have not run previously for any other office whose territory now includes a population that is more than one-third of the population in the territory of the new office. These candidates receive a 10% increase in the Base Expenditure Limit.

**Closely Contested Primary:** applies to winning candidates in contested primaries who received fewer than twice as many votes as any opponent in the primary. These candidates receive a 20% increase in the Base Expenditure Limit, as adjusted for candidates running for office for the first time, if necessary.

**Election Year Spending Limit:** the final expenditure limit for the candidate's campaign. The Election Year Spending Limit reflects any increase in the expenditure limit for which the candidate qualifies.

Candidates who did not sign the Public Subsidy Agreement are listed with "**No Limit**". Candidates who are listed as "**Limit Waived**" signed the Public Subsidy Agreement but have been released from their spending limit because they have an opponent at the State General Election who: 1) did not sign the Public Subsidy agreement and 2) reached certain contribution or expenditure thresholds.

If you have questions about this memorandum, the enclosed list, or about expenditure limits, please call Jeff Sigurdson, Assistant Director, at 651/296-1720 or 800/657-3889.
