## **CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD ISSUES FINAL PUBLIC SUBSIDY PAYMENTS TO QUALIFYING CANDIDATES IN 2008 ELECTIONS**

The Campaign Finance and Public Disclosure Board distributed \$1,608,165 in public subsidy payments to 263 candidates running for the state House of Representatives in 2008.

The 263 candidates who received a public subsidy payment represent 96% of the 274 candidates who were nominated at the September 9, 2008, primary election. A list of qualifying candidates and payments is attached to this news release.

Public subsidy payments are made from the General Account and the Party Accounts of the State Elections Campaign Fund. Money is allocated to the Fund based on taxpayer checkoffs on state tax returns. The Fund is also supplemented by an appropriation of \$1,120,000 per general election from the general fund of the state.

The General Account is allocated between offices on a statutory formula and the amount available for each office is then divided by the number of candidates qualifying for the payment. Green Party candidates do not qualify for general account payments because of their minor party status. Green Party candidates were eligible to receive party account payments.

-More-

Payments made from the State Elections Campaign Fund were based on Department of Revenue processing over 99% of tax returns. The party checkoff payments were based on returns for tax years 2006 and 2007.

To be eligible to participate in the public subsidy program, a candidate must sign and file a Public Subsidy Agreement with the Board in which the candidate agrees to abide by statutory campaign expenditure limits and agrees to limit contributions by the candidate to the candidate's principal campaign committee. A candidate must also raise a specified amount in individual contributions and file an affidavit stating that this requirement has been met.

Overall 292 of the 317 candidates who filed for a legislative seat in July of 2008, (or 92%) voluntarily signed the public subsidy agreements to abide by spending limits and other conditions of the agreement required under the state Ethics in Government Act.

A candidate who is unopposed in both the primary and general elections may not receive a public subsidy payment. In 2008 there were no unopposed state representative candidates.

Information about payments from the State Elections Campaign Fund is available from the Board office, 1st Floor South, Centennial Building, 658 Cedar Street, St. Paul.
